

Complaints Policy (including confidential complaints)

1. OxLEP is committed to creating a work environment with the highest possible standards of openness, probity and accountability. In view of this commitment we encourage employees and others with serious concerns about any aspect of our work to come forward and voice those concerns without fear of reprisal. For employees and those working closely with the us, please follow the whistleblowing policy on our website [here](#) For third parties and members of the public, please follow the complaints procedure outlined below.
2. If, however, a member of the public or third party believes that their complaint fits the description below; they can elect to report their concerns through the whistleblowing policy procedure [here](#)
3. *Whistleblowing* - where an individual who has concerns about a danger, risk, contravention of rules or illegality provides useful information to address this. In doing so they are acting in the wider public interest, usually because it threatens others or impacts on public funds. By contrast, a grievance or private complaint is a dispute about the individual's own position and has no or very limited public interest.

Confidentiality

4. If a member of the public or a third party wants to make a confidential complaint or raise a concern, it will be treated in confidence and every effort will be made to protect the person's identity if they wish to remain anonymous. We will consider all complaints or allegations.

Anonymous allegations

5. OxLEP takes all complaints and concerns raised by members of the public and third parties seriously. We will investigate anonymous allegations. However we remind complainants that when people put their names to an allegation the ability to investigate and therefore reach firm conclusions is strengthened. Concerns expressed anonymously will be considered at our discretion. When exercising this discretion the factors to be taken into account would include:
 - the seriousness of the issue raised;
 - the credibility of the concern; and
 - the likelihood of confirming the allegation from attributable sources.

6. The Ministry of Housing, Communities and Local Government may request information arising from this process if they have concerns regarding a LEP or have been approached with similar complaints. The expectation is that this information will be provided on an anonymous basis. However it may be necessary to provide personal details to progress a complaint.
7. Where details are gathered, we will put in place appropriate data protection arrangements in line with the [Data Protection Act 1998](#) and [Data Protection Act 2018](#).
