WHAT IS THE ESCALATE PROGRAMME?

The **eScalate** programme supports SMEs that are social enterprise, social entrepreneurs, enterprising charities and other purposeful businesses committed to enabling positive social and environmental impact.

We are supporting these socially-conscious enterprises through a network of six community Hubs, three in the city and one in the North, West and South of the county. The Hubs will create a strong and vibrant network among socially-minded businesses in their community, while delivering and signposting to the following support services:

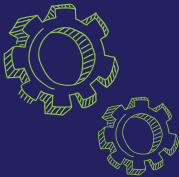

1:1 enterprise support

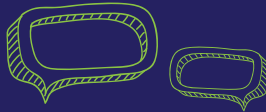

Grants of between **£1k – £25k** for eligible businesses

Workshops

Peer-to-peer support

Networking events
