In association with VotesforSchools and The WOW Show

THE CAREERS &
ENTERPRISE
COMPANY

Y10 LMI Lesson Plan

Lesson Duration: 20-40 minutes

			
1-2 mins	Learning objectives & keywords	Whole class	Students look at the learning objectives and keywords for the lesson.
2-3 mins	1. What is Labour Market Information?	Whole class	Students discuss what LMI is and how it can be used to understand what employment opportunities there are locally.
3-6 mins	2. What is the LMI in Oxfordshire?	Pair	Students discuss with a partner what opportunities, employers and sectors they are aware of in Oxfordshire.
3-4 mins	3. A fabulous future in Oxfordshire?	Individual/ Pair	Students learn more about the low-carbon sector in Oxfordshire and take a closer look at the opportunities at Oxfordshire Greentech & Greencore. The WOW Show film showcases the LMI in Oxfordshire.
3-5 mins	4. Are you employable?	Pair/ Individual	Students think about what skills they think make someone employable before watching a video. Then they reflect on their own employability.
2-3 mins	5. Planning your future	Pair/ Small group	Students think about which avenues they could take when they leave school, using the prompts to help.
4-5 mins	6. Preparing your CV	Individual	Students write some notes for a CV and then consider what their strengths and areas to work on are.
N/A	Get to know the employers!	Whole class	Students have the opportunity to find out more about the employers in Oxfordshire and the jobs that are on offer.

Keywords:

-  LMI
-  Employability
-  CV

Learning objectives:

-  To be aware of what job and labour market information (LMI) is and what it can do for you.
-  To show that you have acquired and developed qualities and skills to improve your employability.
-  To research your education, training, apprenticeship, employment and volunteering options including information about the best progression pathways through to specific goals.

Y10 LMI Lesson Plan

Lesson Duration: 20-40 minutes

CDI Framework KS4:

- 🕒 Developing yourself through careers, employability and enterprise education
- 🕒 Learning about careers and the world of work
- 🕒 Developing your career management and employability skills

Be able to find relevant labour market information (LMI) and know how to use it in your career planning.

Recognise how you are changing, what you have to offer and what's important to you.

Build your personal networks of support including how to access and make the most of a wide range of impartial face-to-face and digital careers information, advice and guidance services.

Show how you are developing the qualities and skills which will help you to improve your employability.
