

# Y8 LMI Lesson Plan: Your Fabulous Future in Oxfordshire

*In association with VotesforSchools and The WOW Show*

THE CAREERS &  
ENTERPRISE  
COMPANY

# Y8 LMI Lesson Plan

Lesson Duration: 20-40 minutes

			
1-2 mins	<b>Learning objectives &amp; keywords</b>	Whole class	Students look at the learning objectives and keywords for the lesson.
2-3 mins	<b>1. What is Labour Market Information?</b>	Whole class	Students discuss what LMI is and how it can be used to understand what employment opportunities there are locally.
5-8 mins	<b>2. What is the LMI in Oxfordshire?</b>	Individual/Pair	Students discuss with a partner what opportunities, employers and sectors they are aware of in Oxfordshire. They then choose the right facts and figures to fill the gaps.
3-8 mins	<b>3. A fabulous future in Oxfordshire?</b>	Pair	Students learn more about the Space Technologies sector in Oxfordshire and take a closer look at the opportunities at Open Cosmos and the UK Space Sector. The WOW Show film showcases the LMI in Oxfordshire.
8-12 mins	<b>4. What is a stereotype?</b>	Whole class/ Individual	Students think about what stereotypes are and how they affect their aspirations and the types of jobs they see themselves doing in the future.
3-5 mins	<b>5. What is discrimination?</b>	Pair/ Individual	Students think about discrimination and how to overcome it. How will what they have learned today help them in the future?
N/A	<b>6. Get to know the employers!</b>	Whole class	Students have the opportunity to find out more about the employers in Oxfordshire and the jobs that are on offer.

## Keywords:

-  LMI
-  Stereotyping
-  Discrimination

## Learning objectives:

-  To be aware of what job and labour market information (LMI) is and what it can do for you.
-  To identify how to stand up to stereotyping and discrimination that is damaging to you and those around you.
-  To identify different kinds of work and why people's satisfaction with their working lives varies.

# Y8 LMI Lesson Plan

Lesson Duration: 20-40 minutes

## CDI Framework KS3:

- 🕒 Developing your career management and employability skills
- 🕒 Learning about careers and the world of work
- 🕒 Developing yourself through careers, employability and enterprise education

Be aware of what labour market information (LMI) is and how it can be useful to you.

Identify how to stand up to stereotyping and discrimination that is damaging to you and those around you.

Identify your personal networks of support, including how to access and make the most of impartial face-to-face and digital careers information, advice and guidance services.

Give examples of different kinds of work and why people's satisfaction with their working lives can change.

# Get to know the employers!

## Want to find out more?

Click on the logos to visit the websites of each employer featured below!

**The University of Oxford** has a huge variety of roles, don't just think teaching! They also have a great apprenticeship scheme.

**Diamond Light Source** is one of the most advanced scientific facilities in the world, and its pioneering capabilities are helping to keep the UK at the forefront of scientific research!

**The Culham Centre for Fusion Energy** is the UK's national nuclear fusion laboratory. They are researching generating low-carbon electricity.

**Unipart Group** brings together manufacturing, logistics and consultancy to create imaginative solutions for customers.

**Morgan Sindall** has a graduate programme and traineeships and apprenticeships so there are many routes into all areas of modern construction.
